Magic Play Scratch Cards & Las Vegas Prize Draw

Promotion Dates

Promotion: Friday 16 October 2026 – Thursday 29 October 2026

Prize draw: Friday 30 October 2026 (entries close end of day Thursday 29 October 2026)

How to Enter:

Customers must visit any participating Admiral venue within the promotional dates. One free Magic Play Scratch Card is available per Customer, per visit, per day, at no cost and without the need to make a deposit; there is no rollover for days not visited. Each card must be scratched to reveal a 12-digit code, which a member of the venue team will enter into the venue redemption tool to establish whether the card carries an instant prize. Whether or not the card is an instant winner, the Customer must complete the entry section on the back of the used card with their name and mobile number and hand it to a member of the venue team, who will log these details in the redemption tool. This is the Customer's free entry into the Prize Draw; no purchase is necessary and completing this step is not conditional on the card having won an instant prize.

Winners, Rewards & Prize Claims:

Each used and completed Magic Play Scratch Card earns one entry into the Prize Draw (maximum one entry per Customer per visit, per day); there is a limit to the number of entries a Customer may accumulate across the Promotion period based on the number of promotional days. If the Company is unable to make contact, or the prize is not claimed within this period, the Company reserves the right to select a reserve winner using the same randomised process.
